DESIGN COMPETITION GUIDELINES

ELIGIBILITY FOR ENTRY

- Entrants must be undergraduates or have attended school within the past six months of entry.
- Entrants must attend Student Day 2013 to enter and must be present to win.
- Projects must have been completed within the past twelve months.
- Entrants may submit a maximum of three entries. A separate entry form for each entry is required.
- Any entry that does not meet all competition rules and requirements will be disqualified.
- Entries must be received by 5pm on April 18th at Design Within Reach (1200 NW Everett St, Portland, OR 97209). For the convenience of the OSU and U of O students there will be a pickup for entries at OSU and U of O. Exact pickup locations and times TBD.
- No late entries will be accepted.

SUBMISSION REQUIREMENTS

- Do not include your name or school on your submission package except on the entry form. (Design Documents must remain anonymous to be eligible for judging.)
- Entrants are required to submit a 200 word Design Statement. Be very specific regarding program requirements and constraints. Explain your design concept, planning strategies, and your solutions to identified design challenges.
- Entrants must submit (1) 18″ x 24″ board for display at the Awards Event, previewing their project. In addition to the board, entrants may submit up to (3) pdfs saved to disk (images of additional work, drawings, boards, model, etc.) It is up to the student's discretion to show the work that best represents their project for judging.
- Entry materials must be packaged in a sealed envelope as follows: completed entry form, proof of online registration and payment for attending the event and entering the competition, design statement, and disk or flash thumb drive. Identify the category you are entering on the outside of your envelope and on the back of your board. Boards should be wrapped in paper or otherwise protected.
- IIDA is not responsible for lost, stolen, or damaged entries.
